## **Interview of Jon Hellevig and his fellow colleagues, Richard Isham and Gerta Sámelová Flassiková, from TELFA/USLAW taken during the Moscow Global Law and Investment Forum 2013**

In conjunction with The Global Law and Investment Forum 2013 organized by Awara Group in collaboration with TELFA and USLAW, Jon Hellevig, Managing Partner at Awara Group, spoke for RT about what's motivating investors in Russia at the moment. You can watch this interview here <http://rt.com/bulletin-board/ptr-june-2013-340/>.

Anti-corruption drives in Russia were one of the main topics at the Moscow Global Law and Investment Forum 2013 organized by Hellevig, Klein & Usov together with TELFA/USLAW. One of the speakers at the forum, English law expert, Richard Isham, offered a summary of his speech to RT where he explains the impact of the bribery act recently signed by Putin on British business. Richard's interview can be seen <http://rt.com/bulletin-board/ptr-june-10-2013-456/>.

More and more, Russian investors treat the East as a passage way to the West... This was another big topic discussed at the Moscow Global Law and Investment Forum 2013 organized by Hellevig, Klein & Usov together with TELFA/USLAW. One of the speakers at the forum, Gerta Sámelová Flassiková spoke to RT about this fast developing business bridge. You can watch this interview <http://rt.com/bulletin-board/ptr-june-2013-387/>.
